PURPOSE

The purpose of the Application Fund is to provide funding to defray the costs of grant writing, engineering cost estimates and related proposal development expenses. Application Funds may be used to pay up to half the cost of preparing a grant application for financial support from state (other than Iron Range Resources), federal or private grant programs.

I. APPLICANT ELIGIBILITY

Eligible applicants are units of government, nonprofit organizations, and educational institutions located in the region statutorily defined as the Taconite Assistance Area (TAA) M.S. §273.1341.

II. PROJECT ELIGIBILITY

Funds may be used to defray the costs of professional services required to develop grant applications and supporting documentation. Internal administrative costs and the preparation of pre-applications are ineligible. Eligible grantors include but are not limited to:

- U.S. Department of Energy
- MN Office of Energy Security
- Community Development Block Grants
- Army Corp of Engineers
- MN Department of Employment and Economic Development (DEED)
- Economic Development Administration
- Foundations such as Bush, McKnight, Mardag, US Bank, United Way
- Housing and Urban Development
- Legislative-Citizen Commission on Minnesota Resources (LCCMR)
- Minnesota Department of Transportation (MNDOT)
- Minnesota Department of Commerce
- State of Minnesota Capital Investment Plan (Bonding Bill)
- United States Department of Agriculture (USDA)

III. FUNDING

Applicants must submit the one page application on page 2 and receive a letter of eligibility from the Iron Range Resources before expenditures can be reimbursed under this program.

Iron Range Resources (IRR) provides a 1:1 match of up to \$3,500 per application or 5% of the total amount requested from the federal, state or local source. All applicants must certify that they will contribute cash equal to, or greater than, funds being requested. Iron Range Resources accepts Application Fund requests on an on-going basis throughout the year. Application Fund payments are made by reimbursement, after submission of the grantee's invoices for services and a copy of the grant proposal prepared using Application Funds.
